

Some words from your Captains

The highlight of our year was Captains' Day on 11 July. We were delighted at your level of participation: 68 of you took part in the golf, some for the very first time and we had even more for the meal in the evening.

The weather was great, if a little warm, and despite probably going down on record as one of the slowest rounds ever, we have had a lot of positive feedback to say how much you enjoyed the "Rainbow" course. So... we (the Committee) are now considering how we can incorporate the Rainbow course format into another club competition.

We continued to ring the changes with the evening meal which offered a choice of fish and chips or a selection of curries. The quality of the food and service was excellent, thanks to go to Luigi and Claire and their respective teams.

At a time when many golf courses are starting to look a little threadbare and in need of some water we are still receiving positive comments from visiting groups who are amazed at the excellent condition of the Lodge and Manor courses. We really are fortunate and thanks must go to David and the green staff.

Planning is under way now for the Club Championships, one of the most important events in our Club calendar. We really would like to see lots of you taking part in this event - so please keep your eyes open for the entry sheet and sign up

Steve and Val

CLUB NEWS

August 2010

Steve and Val on Captains' Day

A 4-ball round on the Lodge Course should take a maximum of 4½ hours.

Please be aware of what is happening in front and behind you. It is your responsibility to keep up with the group ahead.

If you have lost a hole and are delaying the group behind or if the group behind are playing faster than your group, you should invite that group to play through, irrespective of the number of players.

Charity update

Firstly thank you all your generosity so far.

Running Total at the end of July

£654

(give or take a few pence)

You will be pleased to know that we also encourage all visitors, especially societies, to contribute.

We are hoping to hit the £1000 mark, so please keep giving generously. Remember it is for Age Concern Cambridgeshire

Let us have your feedback

We always welcome feedback from members, so if you have any comments or positive suggestions for enhancement, please talk to one of the Committee or write to us (Steve or Val). We will give careful consideration to all suggestions.
