

## *The Ottley Report*

Sadly not long left of the golfing year now – the evenings are drawing in and the leaves are starting to fall – even if we are in the middle of a heat wave. Anyway we still have a few events left to look forward to. Please keep checking the notice boards especially for competitions that run through the winter. Sign up if you can.

This year we have both had the opportunity to play a number of other courses and we must say that ours is probably in the best condition of all of them. So we should all be proud of the course that we call home.

We are hosting another **charity quiz night on 13 October**. This is a fun evening in which we test our combined knowledge against other teams around the county. All are welcome on the night: members, family and friends

You will be pleased to know that we have raised **just over £900** for our 2011 charity - the Pidley Mountain Rescue Team. It would be great to get beyond £1000, so please continue to donate - the collection boxes are on the bar.

As you may know our national golf governing bodies (EGU & EWGA) are proposing a merger. Each club has been asked to consider the proposal and vote at the next county meetings (men and ladies). The benefits include significant cost savings and greater equality and consistency across the sections. The money saved will be used to support us as amateur golfers. Having sounded out a cross-section of our membership, the proposed merger seems to be acceptable to most and it can only be a good thing for the game. LLGC will therefore be supporting it.

*Dave and Elaine*

## Lakeside Lodge Golf Club

Pidley
